

High Street Reindeer Trail

Rudolph has been out playing in Princess Risborough High Street with 16 of his reindeer friends! Can you help **Father Christmas** find him before Christmas Eve?

You will find the 17 numbered reindeers on shop windows, find the reindeer and write the name of each shop next to its number on the form below.

Ho! Ho! Ho!

When you have found all of the reindeer, including Rudolph, tear out this page and return it to **Princes Pets**, **21 Duke Street**, between December 1st and December 23rd 2020 to receive a chocolate reindeer!
