

PRINCES RISBOROUGH TOWN COUNCIL COMMUNITY ENGAGEMENT STATEMENT OF INTENT AND COMMUNITY STRATEGY

1. Aims and Objectives

The Town Council exists to serve the community of Princes Risborough and the Town Council believes it can operate more effectively by engaging the community in its decision making and the provision of its services to those residents. The Town Council also considers it necessary to develop and maintain dialogue with residents and their representative groups.

This strategy is part of the Council's commitment to creating and maintaining effective working relationships with all sectors of the community, based on trust, openness and constructive challenge.

To achieve this, the Town Council therefore aims to:

- Represent and promote the interests of Princes Risborough and all its people in all forums
- Pay particular attention to the needs of our young people, other minority and vulnerable groups
- Provide the best possible amenities and services by the efficient use of available resources
- Actively involve local people in decisions affecting activities in the area
- Promote equality of opportunity and oppose discrimination
- Be open and accountable in all it does
- Support development which is environmentally, socially and economically sound and sustainable

In order to achieve these aims, the Council will:

- Work closely with residents, businesses and community groups
- Engage with as many people as possible who want to participate in decision making, monitoring services and planning for the future
- Ensure, that through the use of a wide range of approaches to public involvement and community engagement, we actively encourage the involvement of residents, to capture their views and learn their concerns and effectively use those views as an integral part of the decision-making process
- Ensure that residents have the opportunities to be heard at every stage, and the capacity to be effective citizens

The outcomes the Council hopes to achieve are:

- Improved communication with the local community
